

# Boat tour to Peperpot and more...

## **Highlights Tour:**

- De waag
- Goslar
- Wijdenbosch brug
- Plantage Peperpot

## **Tourbeschrijving:**

This tour starts at the Leonsberg pier where we board the Traditional boat. We cross over to our first destination, namely the open-air museum in New Amsterdam. There you will receive an extensive tour of one of our experienced guides. After the visit to New Amsterdam we board the boat and sail to the fishing village of Rust and Werk / Frederiksdorp where you can have your lunch. At Rust en Werk you can see the process of drying the shrimp. Then we board the boat again for a visit to the former coffee plantation, called Frederiksdorp. Frederiksdorp is a former 18th-century coffee and cocoa plantation. The first

We houden rekening met eventuele diëten, indien u dit bij de boeking doorgeeft.

## **What to take during the tour:**

- walking shoes
- suntan lotion
- headpiece and poncho
- film camera, and that camera is recommended
- insects immune-medium
- Small denominations Surinamese money for your personal expenses.

owner was a German from Prussia, Johan Friedrich Knöffel to whom the plantation owes its name to date. The history of Frederiksdorp is reminiscent of both European and African traditions. Upon returning to Leonsberg we spot some Dolphins who playfully swim around our boat. With luck you can also encounter pelicans and other bird species during this trip.
