

# Gunsi

*Kies voor een tour naar Gunsi. Tijdens uw reis zullen we diverse uitstapjes maken, zoals een dorpswandeling, bezoek aan de Ferulassi stroomversnellingen en een avontuurlijke boottocht*

## Location:

Called gunsi is located just to the North of Aurora and is a perched village on the upper Suriname River. It is about an hour's boat ride from the small port of Atjoni. The tourist camp Tei Wei ('unwind') is located directly next to the village, which make for a unique cultural experience. Villagers bring arranged a visit to the town.

The village has the high location a beautiful view over the river. In particular, the Felulasi Rapids is beautiful to look at and also recommended to sit down for a natural back massage. At low tide there is a sand bank in the middle of the River, and this warm sand is perfect for relaxing. Called gunsi is connected to two other villages upstream by a well-tended forest trail you within an hour on foot. For walkers, so an excellent option!

## Tour description:

*For guests that have opted for the*

*3-day/2 nights called Gunsi, tour.*

### Day 01: Paramaribo – called Gunsi

You leave in the morning from Paramaribo toward the small harbour town of Atjoni. Here we will have lunch while we the scene of people arriving and departing. Here we take the canoe,

a typical Samaaka boat made of wood, called Gunsi, direction. A journey of about an hour. Afhankelijk of the water level a number of rapids. After arrival you will get time to settle down and we'll make a short walk through the resort. This afternoon there is time for swimming and fishing. After dinner, we end the day with a camp fire on the town. A perfect opportunity to each other and also to get to know the people from the village. (L, D)

### Day 2: forest-dorpswandeling and Caiman-tour

The second day we start with a tasty breakfast before we enter the forest. During the walk we are introduced to the diversity of trees, plants and animals in the area. We visit among other things a plot costs, a field where mostly women from the dorphun fruits and vegetables grow. After the walk vlgt a lunch and go the village called Gunsi, or new Aurora. During such a walk we experience everyday village life up close. Many of the people from the village like to show how, for example, cassava bread baking or rice pounding. What we are going to see depends on where where people are doing that day. After the dinner we get the boat in to Caiman spotting and enjoy the prchtige star sky. (O, L, D)

### Dag 3 Gunsi – Paramaribo

The last day of the Gunsi tour we will relax a bit. For example, take a nice refreshing dip and watch the sun rise. After breakfast we quietly pack our things and we step back into the canoe, back to Paramaribo. (B)

*Note: The same activities apply for the 4 day tour and guests have a free interpretation on day 3.*

*On day 4, guests return to Paramaribo after breakfast.*
